A training seminar was organized in connection with the introduction of the antitrust compliance system in the UZCE

On October 6, 2023, together with the Educational Center and the Department of Legal and Compliance Control of the UZCE, a training seminar was organized in the UZCE building aimed at clarifying the essence and meaning of the Regulation on the procedure for the implementation and functioning of the antitrust compliance system at the UZCE and the roadmap for the implementation of the antitrust compliance system in the UZCE and reducing the risks of violation of competition law requirements for 2023-2024 years.

At the seminar, O.E.Umurzakov, responsible for the antitrust compliance system at the UZCE, said that the above documents were adopted in accordance with the Law of the Republic of Uzbekistan “About the Competition”, Decree of the President of the Republic of Uzbekistan dated July 6, 2020 No.UP-6019 “On additional measures to further develop the competitive environment and reduce state participation in the economy”, Resolution of the Cabinet of Ministers of the Republic of Uzbekistan No.114 dated March 2, 2021 “On measures to implement the antitrust compliance system” in order to ensure compliance of the activities of the UZCE with competition law, the formation of a system of internal organizational measures and principles aimed at identifying and preventing the risks of offenses.

In addition, the participants of the seminar were given explanations regarding the legislative acts on competition, the procedure for the implementation and functioning of the antitrust compliance system in the UZCE, the main tasks of the system and the responsible employee.

The staff of the UZCE listened to the material with great interest, and at the end of the seminar received detailed answers to their questions.
